This Week's Messages

Reminder -

06/10/26—World Cerebral Palsy Day—Wear Something Green!

Manchester Children's Hospital has provided incredible care and support to children within our school community, including one of our pupils who has cerebral palsy. We would love to take this opportunity to give something back and show our appreciation for the care, dedication and continued support the hospital provides to children and their families.

Donating through JustGiving is simple, quick and completely secure. Once you make a donation, your money is sent directly to Manchester Foundation Trust Charity, making it an efficient way to give while helping to save the charity valuable time and costs.

Every donation, no matter how big or small, will help us to say a very heartfelt **thank you**.

You can donate to my JustGiving page by clicking here -

https://www.justgiving.com/page/gorsefield-primary-school-18?utm_medium=FR&utm_source=EM

JustGiving sends your donation straight to Manchester Foundation Trust Charity and automatically reclaims Gift Aid if you are a UK taxpayer, so your donation is worth even more.

Thank you for your support!

CHAT AUTISM AND ADHD

Do you need support for Autism or ADHD related differences?
Do you have a question about the support services that are available to you?
Is there something you want to ask but you'd rather test than talk?

If you answered yes to any of these questions our anonymous messaging service is available for young people under 18, or for parents and carers seeking advice about a child or young person. The service offers support and advice for Autism-related and ADHD-related needs.

For free confidential support and advice text: **07507329954**

Chat-Health

Chat Autism & ADHD provides confidential, anonymous help and advice on Autism & ADHD for young people under the age of 18. No diagnosis is required. Young people can get in touch themselves, or parents and carers can contact us about a child or young person. We aim to reply within 48 hours (Mon-Fri 9am-5pm Monday to Friday), and you'll receive an automatic message to confirm we've received your text. If we believe someone is at risk of serious harm, we may need to share information with emergency services or the police. This is not a crisis service. If you need urgent help, contact NHS 111 or call 999 in an emergency.

Flu Vaccinations -

A few weeks ago, the nursing team visited school to administer the flu vaccination to children whose parents/carers had provided consent. Unfortunately, the team were unable to vaccinate all consented children during this visit. They will therefore be returning to school at a later date to complete the remaining vaccinations. Please be assured that if your child was absent during the initial visit, or their class was seen but they were unable to receive their vaccination, the nursing team are aware and your child will be included on the catch-up list. Many thanks for your understanding and support.
