School Grid

Our apologies that School Grid has been down this week. We have been in touch with the company every day and will continue to do so until it is right for all of our children. Please let us know if you are still experiencing issues.

School's Phone Line

The phones at school are currently not accepting voicemails so if you ring and leave a message, it is not possible for school to listen to these messages. We are looking into this further but in the meantime, if you need to contact school, please send an in-app message to us.

Our First Week

The children have had a great first week back! 6 of our classes have 100% attendance which is wonderful! We look forward to welcoming them on Monday in their own clothes to celebrate this.
