Dear Parent

TRANSFER TO SECONDARY SCHOOLS 2027 FOR BURY RESIDENT CHILDREN

As you are aware your child is due to transfer to secondary school in September 2027. Our online admissions system is the easiest and quickest way to apply. All you will need is a valid email address and your child's details. Please include any sibling details or complete any supplementary forms if applicable. This can be done online from 1st September, via Bury Council's website at www.bury.gov.uk/admissionssecondary.

Following the consultation process with all parents in October 2022, the Local Authority removed the catchment area priority from the admissions policy for community schools and non-faith academies. The [Admissions Policy](#) can be found on our website.

If you reside outside the Bury Local Authority, you will need to make your application to your home authority. Information on how to do this will be on their website. You can still state Bury schools on your application if you wish to do so.

If your child has an Education Health and Care Plan (EHCP) you will receive separate correspondence via the SEN Team in Bury.

Before you make your application there is a lot of useful information on our website which will assist in making an informed decision about which school you would prefer your child to attend.

Details of school open days/evenings can be found overleaf. Please refer to individual school websites to confirm dates.

If you wish to apply for schools in other areas as well as Bury schools, these must be stated on your Bury application. These preferences will be forwarded to the other Local Authority for their consideration. In due course, they will inform us as to whether they are able to offer a place.
